MAY THE MONTH OF OUR LADY

In addition to the myriad feast days honoring Our Lady under her many titles and virtues, the entire month of May is especially given to her praise. In the words of Pope Paul VI, May is "a month which the piety of the faithful has long dedicated to Mary, the Mother of God ... For this is the month during which Christians, in their churches and their homes, offer the Virgin Mother more fervent and loving acts of homage and veneration; and it is the month in which a greater abundance of God's merciful gifts comes down to us from our Mother's throne."
